# COVID-19 RULES LIGNANO SUP MARATHON 2021

## CAUTION:

We kindly ask you to read carefully the below document. We ask for the best cooperation from all participants, athletes, staff and all those present at the event. These rules may be subject to alterations and / or integration at any time, all competitors and staff are invited to pay close attention to the signs and / or other regulations that may be communicated by any means possible.

## PRE-RACE PHASE

- It is mandatory to maintain the minimum interpersonal distance of at least 1m at any time and it is MANDATORY to dress the safety devices (face mask).
- We encourage you to wash or sanitize your hands often. Alcohol-based sanitizing solutions will be present at various points in the event area.
- We kindly remind that crowding is strictly forbidden.
- At the time of the registrations you will be invited to follow the path specifically indicated by the signs. It will be MANDATORY to wear the mask and keep the minimum distance of 1m from the other athletes. At the confirmation desk our staff will be equipped with all the mandatory protective devices.
- Skipper meeting, pre-start and post-race stages: All competitors must keep the minimum safety distance of at least 1m and the use of safety devices (face mask) will be MANDATORY.

## RACE PHASE

- The start will be for single athlete: we will start individually at an interval of 10seconds between each athletes. The final classification will be based on the total time necessary to complete the course. Athletes will be directed to a single lane, specially marked by signs and previously prepared, to wait the start given by our technical staff. Here, too, we invite you to keep the minimum mandatory distance and not to pile up waiting for your turn.
- In case of overtaking a slower athlete in front of you it will be mandatory to maintain the minimum distance of 2m (2m in this case since it is intense physical activity).
- At the end of the course it will be a cone finish line ending in a single lane. We remind you that the ranking will be based on the time taken to finish the race. Avoid ABSOLUTELY to arrive at the photo finish with another athlete so that they will not be necessary in order to improve your position in the ranking. Here too it will be mandatory to keep the distance of at least 2m (more than the length of your paddle).

## **POST-RACE PHASE**

- We ask you to pay attention to continue to maintain the minimum safety distance even for the entire period after the end of the competition.
- The refreshments do not include self-service and you will be served directly by our staff.
- At the time of the awards ceremony also remember to keep the minimum safety distance and wear the face mask. We invite all the awarded to continue to keep their distance from other athletes and other people and avoid handshakes, hugs, high fives, etc ...

## **GENERAL OPERATING RULES**

We ask everyone (operators, volunteers, athletes, etc.) to detect their own body temperature before to come at the event site on May 30th 2021 and, if higher than 37.5 ° C, you will not be allowed to come at the event site and you will must follow the health operating instructions required by national and local legislation. At the competition site, the staff will be equipped with a thermometer for punctual checks and will measure the temperature of each participant, companion and operators. If someone will be find with a temperature higher than 37.5 ° C he will not be allowed to participate at the event and he will be subjected to the procedures provided by the current legislation.
